

Announcement of Direct Admission
Bachelor of Engineering in Computer Innovation Engineering, Academic Year 2017
Faculty of Engineering, King Mongkut's Institute of Technology Ladkrabang

Faculty of Engineering, King Mongkut's Institute of Technology Ladkrabang, invites qualified applicants to apply for admission to Bachelor of Engineering Program in Computer Innovation Engineering (International Program) in Academic Year 2017 (beginning in August 2017). This round of admissions is open to all applicants with excellent academic background and passion in creating innovative solutions to solve real-world problems. Selection of qualified candidates is based on applicant's academic records, standardized test scores, English proficiency test results, personal statement, letters of recommendation, on-site interview and other supplement documents.

1. Qualifications

1.1 Educational background

The applicant must satisfy **at least one** of the following requirements:

- 1) Graduated or studying in the final year of high school; grade 12, Matthayom 6 or equivalent.
- 2) Graduated or studying in an accredited college or higher-education institutions.
- 3) Obtained or expect to obtain a qualification equivalent to Matthayom 6 as approved by the Ministry of Education before the start of Academic Year 2017

The applicant must provide an official final transcript and their official high school diplomas or certificates of completion from their school before the start of Academic Year 2017.

1.2 Supporting documents

The applicant should prepare the following items for online submissions and bring the original documents to the interview.

- 1) A photocopy of the applicant's national **identification card or passport**
- 2) **Personal Statement**
- 3) **Official high school transcripts**
- 4) **Two recommendation letters** from teachers or supervisors.
- 5) **Standardized test scores:** submit **at least one** of the following standardized test results
 - a. **SAT:** at least 1100 out of 1600 for new SAT, or at least 1600 out of 2400 for old SAT
 - b. **ACT:** at least 23 for composite score
 - c. **IB:** at least 29 for (predicted) score with at least 4 in Math and Physics
 - d. Other national higher education or board exam results (**GAT/PAT, IGCSE, GCE A-Level, Gaokao** or equivalent exams)

- 6) **English proficiency test results:** meet at least one of the following requirements
- TOEFL** – at least 550 for paper-based test, 213 for computer-based test, or 79 for internet-based test
 - IELTS** – at least 6
 - IB** – at least 4 for English A1 or A2 (HL or SL) or at least 5 for English B (HL)
- *Remark:** English as a Second Language (ESL) option: if the applicant cannot fulfill the above requirement but is admitted, he or she will be **required to enroll in additional ESL courses** at KMITL (additional fees may apply).
- 7) **Portfolios/Achievements (optional):** provide a link to your portfolios or achievements in the multimedia information section of the application. The applicant may also bring their portfolios to the interview.
- 8) **Placement test results (optional):** submit available AP, IB Higher Level, A-Level, or equivalent placement test results. The policy and criteria for placement credits will be determined prior to the applicant's enrollment.

2. Number of acceptances

The expected number of students accepted by the program is 40. Faculty of Engineering may accept a lower or greater number depending on the total number of qualified applicants.

3. Admissions Schedule

Activities	Date
Application Filing and Application Fee Payment Period	Now - Jan 16, 2017
Interview Candidate Notification	Jan 18, 2017
Candidate Interview Date	Jan 21, 2017
Admissions Decision	Jan 27, 2017
Enrollment Confirmation and Tuition Fee Deposit	Jan 27-Feb 2, 2017

4. Application Submission

The applicant must apply on-line and upload all necessary documents via our online application system: <https://cie.kmitl.ac.th/application/>. The applicant must deposit a 500-baht non-refundable application fee using the specified payment methods in the application system. The applicant is responsible for any additional transaction fee incurred by financial institutions. If the applicant does not reside in Thailand, please contact our admissions office to facilitate the application process.

The applicant will be notified of his/her eligibility for on-site interview after the admissions committee reviews the application. The actual location and time of the interview will be announced prior to the interview date.

An applicant with excellent academic performance and significant achievements along with demonstrated leadership may be eligible for full or partial tuition fee-waiver. The applicant must

indicate his/her interest in the application. Faculty of Engineering reserves the right to determine the eligibility of the applicant. All decisions are final.

5. Tuition Fee and Enrollment Confirmation

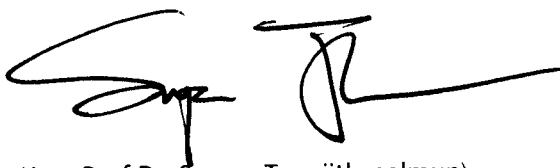

The tuition fee for students entering the program in Academic Year 2017 is 150,000 THB per semester. A qualified applicant must deposit the first semester tuition fee to confirm his/her seat in the class by the designated date. The payment method will be specified by the registrar's office. The tuition fee is not refundable under any circumstance.
