

## Ms. Sirintorn Pengsiri

Master's degree of Industrial Engineering

School of Engineering, KMITL

Adviser : Assoc.Prof.Dr. Tossapol Kiatcharoenpol

Project Partner : Panus Assembly Co.,Ltd.

## Smart manufacturing design and implementation roadmap : A Case study of Panus Assembly's Aviation Business unit

### Objective

1. Smart Manufacturing Design for Product Aircraft tractor  
Model D2023 Target maximum capacity 1 unit/day
2. Implement production record management reference  
IEC 61512
3. Plant simulation
